ALMA MATER

In all her grandeur firm and proud,
 Mid scenes we love so well,
 Our noble Alma Mater stands,
 Most glorious to tell.
 For her, we'll fight
 With all our might,
 Nor honor shall she lack.
 With verse and song,
 Her praise prolong,
 The Crimson and the Black!

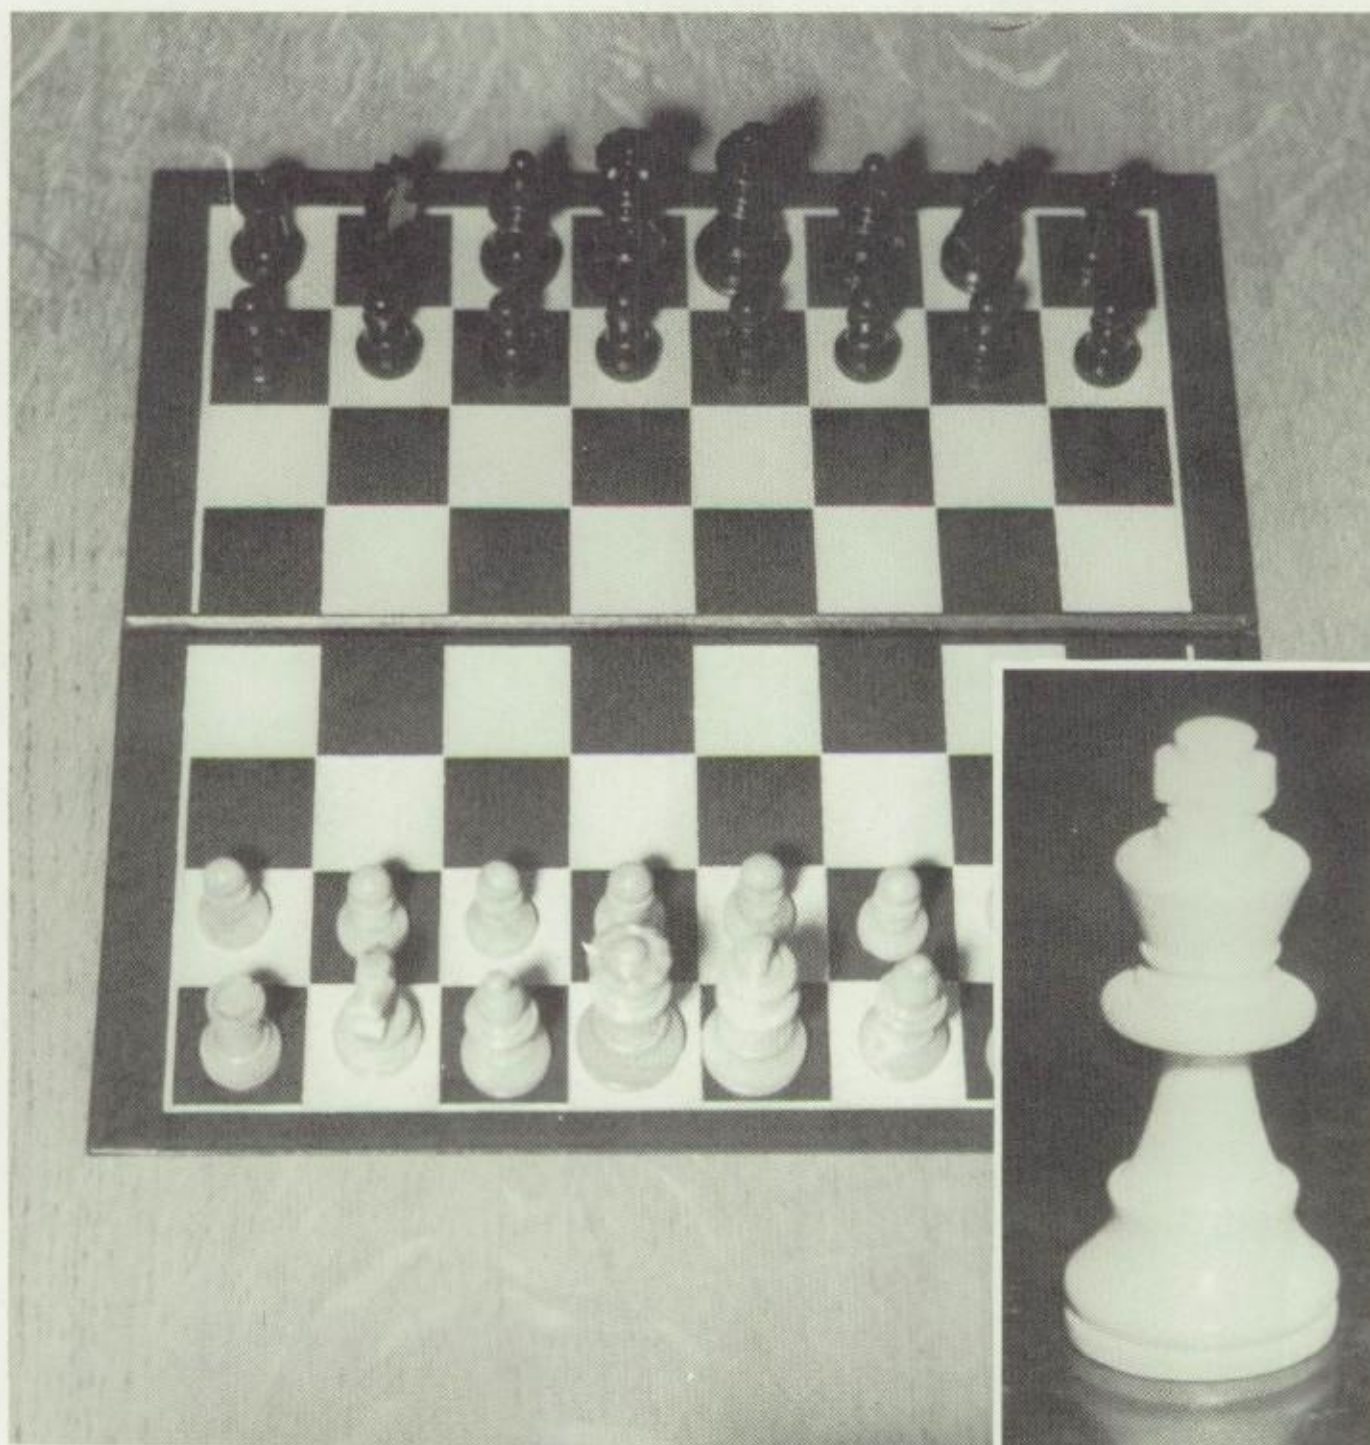

Dedication

Your unflinching interest has aided each of us to prepare for our coming years in high school and life. Your often tried patience never faltered; so as an expression of our appreciation, and thanks for your patience and understanding, we dedicate to you, Mr. Webster, this 1963 Spotlight.

"Our favorite course."

"Have I lost any weight?"

"You're right -- that is something to think about"

"Don't look at me like that -- you look just as bad!"

"Goofed again!"

"We've looked high and low!"

"Amusing dream -- isn't it?"

Hey! That's us!

Just think how strong you're going to be!

Really! Is it something for Me?

If it isn't one thing,
it's another!

So go ahead -- teach me Physics!

And they told me this was fun!

Work, work, work, -- that's all I do!

It must be here
somewhere!
